PRESS RELEASE

Regeneration Board Chairman's Tribute to The Duke of Richmond & Gordon

The Regeneration Board is saddened to learn of the death of the Duke of Richmond and Gordon. Cllr Gillian Brown Chairman of the Regeneration Board commented:

“I would like to pay tribute to the Duke of Richmond and Gordon and the constructive and imaginative role that he played in the regeneration proposals for Bognor Regis. As Chairman of the Vision group he was instrumental in the production of a master plan for the town which is still relevant today. Under his chairmanship The Vision Group played an important part in the formation of the Bognor Regis Regeneration Board in 2007. He was a charming gentleman, with a great sense of humour and it was a privilege to have known and worked with him.”
